My funeral policy

Your policy come into being, once the insurer accepts at its sole discretion the application made herein by the applicant and proposed principle insured. Your acceptance form and the policy provisions on this page are a complete summary of your policy.

The life insured

This is the person whose life is insured under your policy. This is you and anyone you include as your family or extended family, and in whom you have an insurable interest.

The start date for the life insured

This is the first day of the month in which we, or someone authorised by us, receives the first

When the policy does not pay out

No benefits are paid out on the policy if the claim caused or accelerated, directly or indirectly, by war, riot commotion or terrorist activity, - willful exposure to danger, - involvement in a criminal activity, - radioactivity or nuclear explosion, - use of alcohol above the legal limit, - use of any illegal substance.

You can cancel at any time

You can cancel the policy at any time by written notice. If we receive your notice no more than 30 days after you receive this document, the policy ends when we receive your notice. This is known as a cooling-off cancellation. If we receive your notice after 30 days, your policy will end at the end of the month in which we receive your notice, and then only any premiums received after the policy has ended will be refunded.
